

From The Big Days To Every Day, Back Up All Your Photos For Safekeeping

You have a lot of memories. And with the Carbonite Personal Plans, you'll have all the space you need to protect them. You'll enjoy unlimited cloud backup for a family or home office computer – that's a lifetime's worth of photos, family financials and contracts.

Read on to learn more about the plans and flip over for details about pricing.

Automatic Backup

Photos, documents (tax returns, college essays, etc.), music, and emails are automatically saved to the cloud. And, you can back up your external hard drives with the Plus and Prime plans.

Set it & Forget it

The Carbonite software works quietly in the background continually adding new and changed files to the cloud – that means you'll never have to add "backing up" to another to-do list again!

Safety & Security

Your files are encrypted and sent to our state-of-the-art offsite data centers that are monitored by guards 24/7 and secured with other stringent technical safeguards.

Easy File Recovery

With just a few clicks of your mouse, you can restore your precious family files and recover from unexpected computer glitches seamlessly.

Sync & Share

Available to all Carbonite customers, this free app syncs your work across all of your devices allowing you to easily collaborate with family and colleagues on-the-go.

“ THANK YOU! It's been awesome seeing all the files magically come back to my new computer. ”
